Owner acknowledges that animals are unpredictable and there is possibility of injury to his or her dog, or another dog during such controlled socialized activities. In fact, while the dogs are carefully monitored by LIC staff, to prevent injury, it is still possible that during the course of normal canine play, the Owner's dog may get injured. 5. Vaccinations & Documentation. Owner is aware that kennel cough (a/k/a "Bordetella) is a common problem in facilities where there are groups of dogs that intermingle. All of the dogs at LIC are vaccinated against Bordetella, however there are a number of viruses that can cause the cough and no vaccination will prevent all cases. Owner confirms his/her dog is current on all vaccinations as required by LIC and understands that complete documentation confirming such vaccination requirements including, but not limited to, Bordetella, rabies and distemper vaccinations shall be required prior to entry at LIC. In the event that the Owner does not wish to have his/her dog vaccinated against Bordetella, the Owner must complete a waiver provided by LIC. There will be no other exceptions regarding the other required vaccinations.

6. Flea & Tick Preventative. Owner confirms his/her dog is free of fleas, ticks, worms and other insects and parasites and that his/her dog is on a flea and tick preventative. LIC reserves the right to reschedule the board and train if it determines, at its sole discretion, that the dog is not free of fleas, ticks, worms or other parasites since this poses significant risks to other dogs and our staff. **7. Emergency Care of Dog.** LIC will make every attempt to call and contact the Owner and/or Emergency Contact (as previously provided by the Owner) in the event of an emergency situation. The Owner authorizes LIC to take actions they deem reasonably necessary to ensure the health, well-being, and safety of the Owner's dog and to take reasonable action to resolve any medical problems that may arise while the dog is in its care. The Owner agrees to assume full financial responsibility for any and all expenses incurred as a result of LIC's actions. The Owner understands that LIC staff is expected to make a reasonable attempt to contact the Owner and/or the emergency contact before incurring such expenses, that they may need to incur such expenses if they can't reach me, and that an emergency could arise where it would not be feasible for them to contact me before the expense is incurred. In all scenarios, the Owner agrees to take full financial responsibility of the expenses incurred on its dog's behalf.

8. Dog Pictures, Video's, Dogs Name. Owner acknowledges that pictures and videos may be taken of the Owner's dog for media, marketing and advertising purposes. Owner engages LIC to provide services for his/her dog as is deemed necessary in the sole discretion of LIC.

10. Abandoned Dog. Owner understands and agrees that if his/her dog is not picked up on the scheduled pick up date, in accordance with the law, LIC shall provide the Owner with a notice that requires the dog to be picked up within ten (10) days (“notice period”) or the dog shall be deemed to be abandoned.
